STATE NATIONAL PLANS IMPROVEMENTS AND CAPITAL INCREASE

Extensive Improvements Will Be Made to Building of State National Bank—Capital Will Be Increased \$50,000.

Owing to its steady growth, The State National Bank is to increase its capital stock in the sum of \$50,000, making the capital \$150,000. This is necessitated by its growing business and the necessity for a larger capital for the carrying on of its transactions. It has received plans for the improvement of its banking house, which will be started in the very near future. The entire inside of the building will be torn out and a much larger banking space provided for the bank's business. The equipment will be made modern in every way. A large vault will be installed providing space for 600 safety deposit boxes, and other improvements will be a ladies' room, customers rooms, coupon booths, etc. The improvements are expected to be entirely completed by the early fall.

The State Trust Company will, at the same time, increase its capital stock in the same proportion and be enabled to extend its rapidly growing business.

EXPECTING MANY RECRUITS HERE

Corporal Davidson in charge of the local recruiting office, is expecting several recruits from Maysville and the surrounding territory. He is located at the Central Hotel and will be glad to explain all details of the service to any young men who are interested. The one year enlistment which is being offered to men with previous military experience is quite attractive and will probably draw several men just out of the draft service back into the regulars.

BROOKSVILLE NEWSPAPER PURCHASES LINOTYPE

The Brooksville Review has purchased a Mergenthaler Linotype which will be delivered within a short time and installed in their office. This is one of the latest little weekly newspapers in this section of the state and they are to be congratulated upon this forward step just taken.

OHIO VISITORS WILL BE ENTERTAINED IN MAYSVILLE

"If You Can't Get It In West Union Come to Maysville" Is Slogan of Local Business Men—Beginning of Development of Great Ohio Trade Area.

As one of the first moves in the developing of the great trade area lying in Ohio to the rear of Aberdeen, the Maysville Chamber of Commerce will today entertain a committee of West Union, Ohio, business men. The party will consist of some eight or ten prominent merchants from the Adams county capital. They will be the guests of the local business men at dinner at the Central Hotel and after dinner will attend the concert of the Miami Glee Club at the High School Auditorium.

Maysville business men realize that there is a vast territory lying in Ohio near to Maysville which can be developed into a big business district for Maysville. While there are several splendid towns in both these counties, there are many articles of merchandise that cannot be purchased in those towns. The slogan for tonight's banquet will be "If you can't get it in West Union Come to Maysville." This will also apply to Ripley and Georgetown, in Brown county and Manchester as well as West Union in Adams county.

The local business men realize that there is constantly a great stream of business coming to Maysville from these two counties in Ohio but they also realize that there can be more kindly feeling formed and that this business can be greatly increased.

It is to be hoped that similar delegations of business men from other nearby Ohio towns can be induced to come to Maysville as the guests of the Chamber of Commerce at some later dates.

MANY HEAR REV. MORRIS

The attendance at the Forest Avenue M. E. Church revival continues to grow daily. Each evening the house is well filled and the pastor, Rev. W. H. Morris, is preaching some splendid sermons which are accomplishing much good. The meetings will continue during the week with services each evening. The public is cordially invited to attend.

GLEE CLUB'S PROGRAM FOR THE HIGH SCHOOL QUITE ATTRACTIVE

All Kinds of Music, Readings and Impersonations on Program of Recital to Be Given by University Men Tonight.

The people of this section are given the opportunity this evening of hearing a program rendered by the Glee Club of Miami University, Oxford, Ohio, which is regarded by many of the most prominent critics as one of the best musical organizations on the road.

Recently, this club gave an entertainment in Cincinnati following closely the glee clubs of Yale and Harvard. The Cincinnati critics gave the Miami club a much better write-up in the Cincinnati papers than they gave the Eastern universities.

This evening's program will consist of three parts and besides the beautiful classics there will be popular airs sung and a program of selected readings and impersonations will be given. The program for the evening follows:

- PART I.**
Part-Song: Daybreak...Fanning-Parks

ASK THAT AIRPLANES BE ROUTED THROUGH HERE

Liberty Loan Officials Asked to Route Army Airships By Way of Maysville From Lexington to Cincinnati.

Some time ago it was announced that a company of United States Army airships would flight sham battles over cities in the Fourth Federal Reserve district during the Victory Loan campaign and among the cities listed for a visit from the air army were Lexington and Cincinnati.

An effort is now being made to have officials route this company of army planes from Lexington to Cincinnati by way of Maysville. The Secretary of the Maysville Chamber of Commerce has written to the Publicity Secretary for the Fourth Federal Reserve district requesting that the planes be routed this way and Mr. W. W. Ball, Jr., Secretary of the Mason County Liberty Loan Committee has also written to headquarters making this request.

It is more than likely that the request will be granted and that Maysville and Mason county people will have the opportunity of seeing airships in army formation.

MAYSVILLE MAN IN BIG BATTLES IS AT HOME

Mr. Harold Cobb, member of the U. S. Marines, who took part in several of the greatest battles of the war, is at home shaking hands with his many friends. Mr. Cobb has several French citations for bravery. He was in the battle of Chateau Thierry when the tide of the war was turned by the U. S. Marines and was also in the second battle of the Marne. In this latter battle he waded the river Marne to deliver orders for his officer and for his bravery was cited officially. He wears the French bravery citation cord over his left shoulder—the first seen in Maysville.

DIVORCES GRANTED

Two divorces were granted in the Mason Circuit Court today. Barbara Sapp Keller was granted a divorce from LeRoy Keller and Nannie C. Bateman was awarded a divorce from S. M. Bateman.

CARNIVAL MAY BE PLACED ON EAST END LOT NEXT WEEK

Although Most Business Men Want Barkoot's Shows on the Streets, Mr. Barkoot Says He Hardly Thinks Streets Are Wide Enough.

Mr. Bade Barkoot, brother of B. K. Barkoot, Manager of the Barkoot's great Exposition Shows, was in Maysville today having run down from Lexington to look over the field and make final arrangements for the appearance of the company here next week.

Up to the present time it has not been definitely decided as to whether the carnival will be placed on the streets in the down town section or on the Donovan lot adjoining the ball park in the East end.

Mr. Barkoot today said he would much rather place the shows on the streets but he said that he feared the fronts of his shows would be too wide for the street and that to keep from blocking the streets the show would have to be placed on the East end lot.

This matter has not been definitely settled and will probably be decided upon by the committee within the next day or so.

UNWRITTEN LAW

ACQUITS KENTUCKIAN

Cincinnati, Ohio, April 2.—The "unwritten law" was invoked by the Hamilton county grand jurors yesterday when they ignored the murder charge against Frank Munson, of Hutchison, Ky., who shot and killed Charles Foley when he found him with his wife, Hannah Munson, in a rooming house here on March 9.

Munson declared that Foley, whose home was at Mt. Sterling, Ky., induced his wife to leave her home and their six children and come to Cincinnati with him.

As there was no indictment, Munson will go free.

HOMER SMITH COMING

LAST OF THIS MONTH

Mr. Roy C. Myers, publicity agent for the Steamer Homer Smith, is in the city today making arrangements for big excursions out of this city on April 21st and 25th. Mr. Myers is endeavoring to charter his steamer out to some local organization for the trips. He says the Smith is in better shape this year than she has ever yet been. Many improvements have been made during the winter.

EWING POULTRY EXPERTS

MAY HOLD FOWL SHOW

Several poultry enthusiasts at Ewing, Fleming county, are anxious to hold a Poultry Show in their town in the near future and a committee of Ewing men will meet with the Mason County Poultry Association next week to discuss plans.

The big musical comedy "Have a Heart" is the attraction at the Washington Theater this evening and from the advance sale of seats, it appears that there will be a very large crowd. The show comes hailed as one of the best of the kind on the road and those who miss it will undoubtedly miss one of the best of the season.

Mrs. Roland Steele and babe, William Duke, of East Second street, left this afternoon for Newport to visit her mother, Mrs. Helvey.

Mrs. J. D. Borton of the county, has returned home after being at the bedside of her sister, Mrs. W. C. Borton, who has been very ill at her home on Lexington street.

Wanted home for 3 bright boys, aged 1, 3 and 6 years. See Judge Purnell.

DISINFECT THE SEED POTATOES, THE COUNTY AGENT SAYS

New Disease Found In Seed Potatoes Will Make Crop Short Unless Action Is Taken.

County Agent George Kirk issues the following statement:

A new disease has made its appearance in Kentucky and must be guarded against. This is known as little potato. This disease shows in potatoes being produced on the stems above ground, in rotting of the stems, near the ground level, and in only little potatoes being produced in the hills. This organism lives in the soil for years like the scab. At present the little potato is rare in Kentucky, but by using precautions we can keep it out of our soils. This disease is carried in blackish hard lumps or patches on the potatoes. These patches vary in size from a pin head to a grain of wheat. They look like dirt but they won't wash off. To prevent getting this disease, use clean seed potatoes and, if any of these black lumps are noticed, disinfect the seed potatoes with corrosive sublimate. Formalin does not prevent the little potato disease.

Corrosive sublimate is a white powder that is sold by any druggist. Bichloride of mercury is another name for it. It costs 20c an ounce. One ounce is dissolved in 7½ gallons of water. It is easier to wet the corrosive sublimate with a small amount of water, making a paste, and then to add the rest of the 7½ gallons of water. Before cutting the potatoes they are soaked in a sack in the corrosive sublimate for thirty minutes and no longer. Then the tubers are spread out to dry before cutting. Corrosive sublimate is a deadly poison and, therefore it should be kept out of children's reach. It should not be used in metal containers but in a wooden tub or barrel. Corrosive sublimate should not be used over five times, unless renewed with fresh solution, for it loses strength rapidly. It controls scab as well as the little potato disease, so that if the potatoes are treated with it, the formalin treatment for scab is wholly unnecessary.

The disinfecting of seed potatoes is a preventive measure. It is economy to spend 50c to \$1.00 an acre to insure the potato crop against loss from scab and little potato.

WILL CELEBRATE BIRTHDAY WITH A BIG MOVIE SHOW

J. Barbour Russell, Jr., Plans Great Show at the Washington Monday in Celebration of His Birthday.

It will be remembered that last year Colonel J. Barbour Russell in celebration of the birthday of his son, J. Barbour Russell, Jr., gave a great free show at the Washington showing on the screen such feature pictures that would greatly interest the school kiddies of the city.

This year the same plan has been adopted in the celebration of Barbour's birthday and invitations will be issued to all of the children of the city within the next few days inviting them to attend the big birthday party to be given on Monday, April 7th, at 2:30 o'clock at the Washington Theater.

The invitations given and the program for the afternoon is as follows: You are cordially invited to attend my Birthday Party on Monday Afternoon, April 7, 1919, at the Washington Opera House at 2:30 o'clock.

EVERYBODY WILL DRESS UP TO GREET RETURNING HEROES

Appeal to Clothes Consciousness More Strongly Emphasized This Spring Than Ever Before.

"Dress Up!"

This is the command which is being echoed and re-echoed throughout the length and breadth of the land today. It is the command of an awakened clothes consciousness which will not be denied, and it is being borne in upon the minds of the people everywhere. The ending of the war seemed to more strongly emphasize than ever the Dress-Up appeal to men, women and children. All want to dress up to meet the returning soldiers and sailors, and because of the natural desire to look their best.

This command to Dress Up has been heard even subconsciously, for it is an impulse which naturally rises in the breasts of men and women with the approach of spring. The Easter season always has been a time when people in all civilized lands have expressed a desire to appear at their best. Even Nature dresses itself in new garb in the spring, and the Dress-Up impulse, therefore, permeates the world naturally and without effort. It is only the miserly and grasping who have no desire for new raiment in the spring—and these people are not likely to get far in the esteem of their fellow men, for the simple reason that they are out of harmony with others.

Next week will be celebrated as Dress-Up Week in Maysville. Chairman Myron Merz, of the local committee, announced that the local business men have assured his committee of hearty co-operation in the celebration of the week and there is every reason to believe that the week will be a great success here. Every store in Maysville will make a special effort for a special showing of the latest styles during the week.

Persons living in the Maysville district are invited to visit Maysville during the week and become acquainted with the latest styles in all kinds of wearing apparel.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

AMERICA ALWAYS FIRST

The doctrine of enlightened nationalism which puts the welfare, the prosperity, the progress of the United States first is not a narrow or parochial doctrine.

The greatest obligation, the foremost duty imposed on American citizens by their membership in the greatest democracy the world has ever known is to make that democracy a success. They must make the United States in the present and the future, as it has been in the past, the best country for men and women to live in; the best country on earth for children to be born in; the best country on earth for men to live for and to die for.

Doing this, maintaining the place of the United States among the powers, improving the conditions, political and social, of the people of the United States as the advance of knowledge renders improvement possible, the citizens of this country will make the mightiest contribution that lies within their power to the welfare of the world.

America always, and America always first.

AGRICULTURAL CENSUS TO BE MADE ON JAN. 1

New Census on Farms To Be Made On January 1 Instead of April 15 This Time.

Uncle Sam has decided to take the fourteenth census on farm January 1, 1920, instead of collecting this data as of April 15, as was done in 1910. The date was changed because farmers ordinarily are very busy with the rush of spring work about the middle of April, also because the April 15 date comes during the midst of the breeding season when the number of young stock is not comparable between northern and southern regions, and finally because the returns on the crops obtained during the winter are more accurate than those obtained later and comparable with the December estimates of the Bureau of Crop Estimates.

The United States Department of Agriculture is assisting the Census Bureau in making this coming agricultural census as accurate and valuable as possible. To a limited degree the character of the information to be secured will differ from previous enumerations, because of slight changes in the questions which the enumerators will ask farmers. These changes in the schedule of questions have been made by a committee composed of L. M. Estabrook, C. W. Thompson, O. E. Baker, L. C. Corbett, and F. W. Farley, representing the United States Department of Agriculture; H. C. Taylor, of the University of Wisconsin, recently appointed Chief of the Office of Farm Management of the Department of Agriculture; and C. F. Warren, of Cornell in conference with officials of the Census Bureau.

The questions include information

on the acreage and production of the crops, amount sold or to be sold, livestock classification both by sex and age, acreage of woodland, and the amount of land on farms drained and needing drainage. Special consideration will also be given to matters of utilization, the amount of land and acreage of crops irrigated, numbers of young live stock sold, purchased, slaughtered, and died on the farms, and quantity of dairy products and wool produced. Owing to the fundamental importance of these statistics, which provide basic information relative to farms and farming in the United States, it is hoped that farmers throughout the country will assist the census enumerators in every way possible in securing accurate, reliable, and complete information.

Frail, Sickly Children Improve Rapidly on Vinol

The reason we so strongly recommend Vinol for frail, sickly children is because it is a non-secret remedy which contains Beef and Cod Liver Peptones, Iron and Manganese Peptones and Glycophosphates—but no oil—the very elements needed to build them up. It is delicious to the taste, and children love it.

These Two Mothers Have Proved This.

Bainbridge, N.Y.

"My little daughter, 13 years old, overworked and was run-down, tired all the time, nervous, had headaches, couldn't eat and had to stay out of school. Vinol has built her up. She has a good appetite, no more headaches and has returned to school again."—Mrs. Lester Andrews.

Williamson, W. Va.

"My little boy was weak, puny, and tired all the time, did not want to do anything. Vinol was recommended and it built up his strength and made him healthy. Now he romps and plays like other children. We certainly believe in Vinol for children."—Harley Clay.

"LITTLE POTATO"

There is present in practically all of the seed potatoes now offered for sale in Kentucky a fungus disease which is known as "Little potato." The name explains the result when such seed is used without treatment. No potatoes will be borne on the plants larger than an egg, and most of them will be far smaller. The treatment is simple and easy, but great care must be used in the handling of the fungicide used.

To seven and one-half gallons of water add one ounce of corrosive sublimate. Use solution of this strength. Dip sack containing the potatoes into solution for minutes, drain, and plant. This treatment also kills scab, but the formalin treatment for scab does not kill the "little potato."

This chemical is very dangerous and must be kept from any living animal, as it is POISON.

LOCAL PLANS FOR CLEAN-UP DRIVE WILL CONFORM TO STATE'S

Maysville Clean-Up Drive Is Expected To Be Held at the Same Time the State Fire Marshal Sets For All of the State.

Last year, it will be remembered, there was some conflict between the Clean-Up campaign waged by the various organizations in Maysville and the campaign waged by the state through the State Fire Marshal's office. In fact there were two actual campaigns in Maysville and while both were considered successful neither one of the two was as successful as it might have been had there been a concentration of forces on one selected time.

In order to prevent this conflict again this year, Secretary Dodds, of the Chamber of Commerce, has written to State Fire Marshal Pannell asking for the exact date of the state drive for this year and the Maysville campaign will be fixed for that time so that we will have the benefit of the advertising and publicity put out by the state and have their hearty cooperation in our own local campaign.

The Clean-Up campaign in Maysville this year should be a wonderful success under these arrangements. The business men through the Chamber of Commerce, the women through the Mason County Woman's Club, the city administration through Mayor T. M. Russell and Fire Chief Newell and the state through State Fire Marshal Pannell will unite in making the campaign a great big success.

It is expected that before the date selected for this campaign the city garbage collector will have received his garbage carts which have already been purchased and that the refuse collected will be well cared for and promptly disposed of by the proper officials.

Every man, woman and child should now begin to get ready to help out in this big drive to make Maysville clean for the summer months.

SPRING MESSENGERS

(Baltimore Sun)

I have heard her in my heart.
I have heard her singing there,
Felt her, dancing in her radiance of the light.
I have listened in my dreaming
To her finger tips, all beaming.
As she tapped upon my window in the night.
I have seen her comb her hair
By the silver moon—Oh, where,
Is there ever such a sight!

She sent me word through sorrow
Of a brighter thing tomorrow;
And her messengers have found me
With the word.
One was at my still this morning.
All his vibrant lay adorning
The sweetness of the world with
Song of bird.

I can tell the message true.
I have knowledge of the dew,
And there's something fairy in me
That makes plain
All the rosy revelation
And the intinnabulation
Of the rain.

I have heard her in my heart.
Treading round, treading round.
With a kind of silver tinkle.
And a kind of elfin sound—
Oh, her velvet feet are dancing
With the sunbeam twixt them glancing.

And I know she's on the hillside,
And I know she's on the lee,
And I know she's crossed the mountain,
And her ship is on the sea!

TIME IS THE TEST

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Henry S. Gallenstein, blacksmith, 224 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put an entire stop to the pains and my kidneys became well."

(Statement given January 9, 1912.)

RESULTS THAT REMAIN

Over four years later, or on November 14, 1916, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent."

When Others Must Wait!

Long party-line conversations hamper telephone service by making others sharing the line to wait.

—they must wait to send calls;

—they must wait to receive calls;

Has this ever occurred to you? Because other must wait is a very good reason why party-line subscribers should observe the five-minute limit for local calls.

Co-operation between subscribers keeps party-lines open for both incoming and outgoing service.

MRS. SARAH T. SCOTT DIES AT FAYETTEVILLE, TENN.

Death Due to Acute Indigestion—Mother-in-Law of Former Local Pastor.

Mrs. Sarah T. Scott, widow of Calvin Scott, of Charlotte, died at the home of her daughter, Mrs. W. W. Akers, at Fayetteville, Tenn., at 2:30 o'clock Tuesday from acute indigestion, according to information received yesterday by telegraph by relatives here.

She was the mother of John M. Scott, Walter Scott and Mrs. E. T. Cansler, of Charlotte, Mrs. Akers, and the step-mother of William T. Scott, of Fitzgerald, Ga. She suddenly became ill Tuesday morning and her condition was immediately recognized as desperate. Mr. Scott left her immediately after receipt of a telegram announcing his mother's illness, but did not arrive until after her death.

Mrs. Scott was the daughter of Col. John Finley McCorkle and Jane Barr McCorkle and was born in Rowan county, January 23, 1833. She was educated at Salisbury and was married in March, 1860, at the home of her father in Statesville, to Calvin Scott, of Chapel Hill, formerly of Alamance county. Mr. and Mrs. Scott lived at Chapel Hill until the outbreak of the war between the states, when her husband entered the Confederate army, serving throughout the war.

After Lee's surrender, Mr. and Mrs. Scott moved their residence to Charlotte, where they resided until the death of Mr. Scott, in 1897. After his death, Mrs. Scott continued to make her home in this city until the marriage of her younger daughter, Miss Elizabeth Scott to Mr. Akers, a Presbyterian minister. Thereafter Mrs. Scott made her home with them, making frequent visits to her sons and daughters residing here.

Mrs. Scott was a devout Christian, having in early life connected herself with old Thytira church, in Rowan county, of which her father was a ruling elder. Moving to Charlotte, she connected herself with First Presbyterian church, of which she was a loyal member.

Funeral arrangements were not known here last night.

The above is from a Charlotte, N. C., newspaper:

The many Maysville friends realize their loss in the death of Mrs. Scott and extend their tenderest sympathy to the sadden family.

MASS MEETINGS ARE BEING HELD TO CREATE INTEREST

Bluegrass Kentucky Turns Out at First of Series of Mass Meetings Creating Interest in Jewish Fund Drive.

Recognizing the fact that if only the urgent need can be widely placed before the people of Kentucky there will be a tremendous response to the appeal for aid for starving Jews in the eastern war zones of Europe, the leaders of the Kentucky campaign to raise \$208,000 in the state April 7-11 are carrying out plans for a series of huge mass meetings to be held in various parts of the state.

The first of these meetings was held Monday evening, March 31, at Lexington. The Bluegrass turned out by hundreds. The meeting was held in the Circuit Court room and a large crowd tested the capacity of the room. Moses Kaufman, postmaster at Lexington, was chairman of the meeting and made an earnest plea on behalf of the people of his race. Other speakers were Rabbi Joseph Rauch of Louisville, Circuit Judge Charles Kerr of Lexington, Attorney George R. Hunt, Harry Givannoli, editor of the Lexington Leader and a member of the State Advisory Committee of the American Jewish Relief campaign, Attorney Harry Miller and others.

It was the consensus of opinion at the close of the meeting that the quota in Lexington and Fayette county would be easily raised and that an over-subscription would doubtless be realized. It was determined that the Bluegrass would be in front ranks when the returns are in.

On Tuesday night a rousing meeting was held at Hopkinsville and Attorney Benjamin S. Washer of Louisville, was the principal speaker.

Meetings scheduled for Friday night include one at Henderson to be addressed by Attorney Benjamin S. Washer of Louisville and Charles W. Morris of Louisville, state campaign director. The same evening Rabbi Joseph Rauch of Louisville will speak at Covington and Hon. Edward G. Hill of Louisville speaks at Paducah.

SEE BARKOOT'S CARNIVAL AT LEXINGTON

A committee of local men motored to Lexington Tuesday where they saw Barkoot's Exposition shows which will exhibit in this city all of next week. These gentlemen report that all of the shows are high class in every respect and that the company is an unusually good one.

LOCAL BAPTISTS PLAN REVIVAL

The local Baptist church is planning a revival meeting to begin the latter part of April. The pastor, Dr. B. B. Bailey will do the preaching and he will be assisted by a musical director. This meeting will closely follow the meeting at the Aberdeen Baptist church which will begin on April 8th.

ELKS INSTALL OFFICERS TONIGHT

There will be a very important meeting of the local lodge of Elks this evening at their hall in the State National Bank building. At this meeting the newly elected officers will be installed and members are requested to be present.

Mrs. James B. Key returned home last night after a visit of a month with her daughter at Bartlettville, Okla.

BIG LAUGHS ARE IN STORE FOR THOSE ATTENDING SHOW

"The Little Pink Devil" Saturday's Attraction at the Washington Will Produce Many Hearty Laughs.

That big laughing success, "The Little Pink Devil", will be seen at the Washington Theater on Saturday, matinee and night, April 5. This joyous offering comes to us fresh from its triumph tour. "The Little Pink Devil" a farceful comedy with music written by Leonard Grover, is replete with those sidesplitting situations, highly humorous complications and rapid-fire dialogue that always go over big. There are three acts of unadulterated fun and there is introduced some twelve song numbers which are all of the newest and most catchy airs, and sung by a company of unusually excellent voices. The big musical review scene or carabaret in the second act brings out the entire company in their many superior specialties. This is some entertaining scene.

The company headed by the favorite comedian, Leonard Grover, are all capable people. Mr. Grover is a character comedian of unusual ability and has been seen in many New York comedy successes. He plays the principal fun getter, that of a wealthy retired merchant who visits with his wife and daughter one of our famous seaside hotels in quest of rest and he gets all he's looking for. Some boy! This retired merchant.

Miss Kitty O'Neil, the fascinating comedienne, plays the part of the popular actress who has a whirl of fun out of her little flirtation with the retired merchant. Miss O'Neil has a fine singing voice and is a funny young lady. She is also one of our very best pianologists. Miss O'Neil and Mr. Grover get most of the laughing scenes and are a fine team of comedians. She plays the part of the bashful young girl to perfection. Jack Young, the young juvenile man, as a prospective son-in-law, just fits the character.

Ella Cameron as the Militant Suffragette, is some character. Tommy Dobson as the hotel bell-hop is a great entertainer and a wonder at getting tips. Mabel and Elsie Gilbert, pretty girls and nifty dancers, George St. John and others in the company all lend valuable aid in making the performance highly acceptable.

NEW TOBACCO WAREHOUSE FOR RIPLEY

Articles of incorporation have been filed at Columbus, Ohio, for another Loose Leaf Tobacco Warehouse for Ripley, and will be returned here in a few days when stock books will be open for subscriptions. Much of the stock is already spoken for. The company will be known as the Union Loose Leaf Tobacco Warehouse Company of Ripley, Ohio, with a capital stock of \$30,000. The incorporators are: F. E. Boyd, J. Robert Stivers, J. M. Koewler, F. P. Hite and Herbert Whitely.

Several sites for location of the plant are under consideration, but none has been definitely decided upon.—Ripley Bee.

C. E. HOGE DEAD

A telegram from Hot Springs, Ark., last night announced the death of Colonel Chas. E. Hoge, of Frankfort, one of Kentucky's biggest business men, and financiers. He was president of the State National Bank and the Hoge-Montgomery Shoe Company, of Frankfort, director of the Federal Reserve Bank, vice president of the Commonwealth Insurance Company, and trustee of the Presbyterian Theological Seminary, all of Louisville.

He constructed the Chicago drainage canal, and much of the C. & O. and L. & N. F. & C. Southern Railways in this State. He is one of Central Kentucky's wealthiest men, owning many hundred acres of land.

Colonel Hoge's nephew, J. W. Hoge, died in Frankfort yesterday.

HOG PRICES SOAR

Chicago, April 2—Hog prices passed the \$20 mark upward bound yesterday when they were quoted at \$20.10 per hundred at the stockyards. The highest wartime price was \$21 last fall. During the winter prices dropped slightly under \$18. At the United States Bureau of Markets this recent advance was ascribed to heavy demand coupled with the fact that the winter run of hogs was largely shipped out, leaving the supply comparatively light until the new run of hogs begins in May or June.

Mr. E. E. Nicholson and daughter, Vivian, of Catron, Ohio, are visiting Mrs. C. H. Nicholson, of Limestone street.

GETTING STOCK YARDS READY FOR APRIL SALES

Superintendent Brown Announces That Maysville Stock Yards Will Be Greatly Improved For Next Sales.

Mr. Chris Brown, Superintendent of the Maysville Stock Yards, has had several men at work for the past several days getting the stock yards in first class shape for the April sales on next Monday. A large amount of cinders has been furnished by the C. & O. railroad company and these cinders will be spread tomorrow.

Mr. Brown expects to have a couple of teams and scrapers at work tomorrow leveling up the Northeast corner of the stock yards so that the deep hole in that corner of the yards will be filled and perfectly level by Monday. This will give the yards much more room and will enable the farmers to take care of much more stock than heretofore.

It was expected that the C. & O. railroad company would have their stock pens moved to the City Stock Yards before the first of April but they have as yet been unable to move them. It is expected, however, that this move will be made before the court day in May.

As next Monday is stallion and show horse day, it is expected that there will be much stock displayed here and that there will be a very large crowd attracted.

FORMER MAYSVILLE GIRL PICTURED IN NEWSPAPER

On the front page of the Cincinnati Times-Star Monday evening there appeared a good likeness of Miss Helen Whittington, daughter of Mr. and Mrs. Edward Whittington, formerly of this city. Miss Whittington was one of a number of Cincinnati girls who had been selected by the Cincinnati Rotary Club to throw flowers in the path of the returning Cincinnati regiments when they parade in the Queen City upon their arrival there.

WILL PROBATED

In the Mason County Court this afternoon the last will and testament of the late Mr. William Branch was offered and probated upon its due execution being proven. By the terms of the will all of his estate is left to his wife, Mrs. Mary F. Branch, who is named and qualified as executrix. Messrs. C. F. Owens, J. H. Brammer and T. F. Gaither were named appraisers.

The Ladies' Auxiliary of the Health League will hold an apron sale at the Chamber of Commerce Saturday. Baked goods will also be offered for sale.

WOMAN SAVED MUCH SUFFERING

By taking Friend's Advice and Lydia E. Pinkham's Vegetable Compound.

West Plains, Mo.—"I was all run down in health, had indigestion and terrible cramps every month so I was unable to do anything. I had tried every doctor in West Plains, also every remedy I could think of, without relief. One day when I was suffering greatly a friend was at my house and said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound?' So I did, and through it, I found relief from my suffering and I really believe it saved my life. It does not seem as though I can say enough in praise of this wonderful medicine for the health it has brought me."—Miss CORA LEE HALL, West Plains, Mo.

Perhaps it may seem an extravagant statement to say that this great remedy saved a life; but women like Mrs. Hall, to whom it has brought health, appreciate the danger and suffering they have escaped too well to doubt it! All who suffer should try it. Why risk life and health without it?

For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass.

THOMPSON RE-ELECTED MAYOR OF CHICAGO

Chicago Re-elects William Hale Thompson as Mayor and "Wets" Have Majority.

Chicago, April 2—Complete returns today from yesterday's municipal election show that William Hale Thompson (Republican) was re-elected mayor for a term of four years by a plurality of 17,600 over Robert M. Sweitzer (Democrat), his nearest competitor, and that the city voted "wet" by a majority of 247,228.

Aldermanic returns show the elimination of Socialists from the City Council every candidate of the party in the 31 wards in which that party presented candidates being decisively beaten. The total Socialist vote was less than 25,000, whereas last fall it was 65,038 and two years ago 102,686. In the new Council the Democrats will have 45 and the Republicans 25. Michael Kenna ("Hinky Dink"), a member of the Council from the First ward for 28 years, was re-elected.

The total vote for mayor was 688,361 out of a registration of 792,000. At the mayoralty election four years ago Thompson defeated Sweitzer by more than 147,000 votes.

MARSE HENRY QUITS COURIER-JOURNAL

Louisville, Ky., April 2—The Louisville Courier-Journal last night announced that Henry Watterson, the newspaper's editor since 1868, and editor emeritus since last August, had requested his retirement. Mr. Watterson recently passed his seventy-ninth birthday.

The newspaper said the editor's action was partly due to his variance with the Courier-Journal officials on the proposed League of Nations, he, the paper says, being against the proposal, while the officials favor the issue.

Through Mr. Watterson's writings on national questions, he has become one of the most widely known writers in the country.
